

# HEIZELL SEPTIANUS

WEB DEVELOPER

## DESCRIPTION

I have read from your advertisement at Job Street that your company is looking for employees to hold some position. And I am interested in applying as a programmer. My name is Heizell Septianus, I am twenty-two years old. I am a student at BINUS University, majoring in Computer science, and have already been in my seventh semester. I consider myself that I have the qualifications as required. I have good motivation for growing, eager to learn, and can work in a team and individually.
